Mollie Stone's Markets Celebrates 25th Anniversary in Sausalito

Locally & Family Owned Grocery Chain to Commemorate Occasion April 10 - 14

SAUSALITO, CA – This month, Mollie Stone's Markets celebrates the 25th anniversary of opening its Sausalito location at 100 Harbor Drive. The occasion will be marked by a five-day celebration of food and community at the store.

"It has been an honor serving Sausalito for the past 25 years, as we value our customers and community above all. We look forward to the next 25 years and will continue to innovate in many interesting ways to make lives healthier and happier," said Mike Stone, CEO of Mollie Stone's.

Mollie Stone's opened its Sausalito location on April 10, 1988. A lot of things have changed over the past 25 years, but store manager Angelo Damante has managed the store from the very beginning with his passion and caring for his community. Many customers have been shopping at the store regularly since 1988.

"Mollie Stone's has established itself as part of our close-knit community and we look forward to many years ahead," said Herb Weiner, Mayor of Sausalito.

From Wednesday April 10 through Sunday April 14, Mollie Stone's will be hosting dozens of tasting events at the store, with participation from vendors including Boar's Head, Earthbound Farm, Clover Stornetta, Costarella Seafood, Gloria Ferrar, Rubicon Bakery, Mary's Free Range Chicken, Straus Family Creamery, and many local farms and businesses.

Mollie Stone's remains one of the few independently-owned grocery chains in the Bay Area. The business is an active participant in the Sausalito community through donation programs like the Mollie Stone's Community Card, and sponsors various local organizations.
